

# Give Your Heart A Home

Don Francisco; Bill Gaither; Gloria Gaither

Key of Dm

Dm7 G C  
I hear your hollow laughter, your sighs of secret pain  
Dm7 G C  
Pretending and inventing just to hide your shame  
Dm7 E7 Am  
Plastic smiles and faces blinkin' back the tears  
Dm7 F G  
Empty friends and places just magnify your fears

## Chorus:

Dm7 G Am  
**If you're tired and weary, weak and heavy laden**  
Dm7 F G  
**I can understand how it feels to be alone**  
Dm7 E7 Am  
**I will take your burden if you'll let Me love you**  
Dm7 G C  
**I'll wrap my arms around you, give your heart a home**

Dm7 G C  
It hurts to watch you struggle and try so hard to win  
Dm7 G C  
But trade your precious birthright for candy-coated sin  
Dm7 E7 Am  
Wasting priceless moments restless and confused  
Dm7 F G  
Building up defenses for fear that you'll be used

## Chorus:

Dm7 G Am  
**If you're tired and weary, weak and heavy laden**  
Dm7 F G  
**I can understand how it feels to be alone**  
Dm7 E7 Am  
**I will take your burden if you'll let Me love you**

Dm7 G C  
**I'll wrap my arms around you, give your heart a home**

Dm7 G C  
Take My yoke upon you, walk here by my side  
Dm7 G C  
Let me heal your heartaches, dry the tears you've cried  
Dm7 E7 Am  
Never will I leave you, I'll never turn away  
Dm7 F G  
I'll keep you through the darkness, lead you through the day

**Chorus:**

Dm7 G Am  
**If you're tired and weary, weak and heavy laden**  
Dm7 F G  
**I can understand how it feels to be alone**  
Dm7 E7 Am  
**I will take your burden if you'll let Me love you**  
Dm7 G C  
**I'll wrap my arms around you, give your heart a home**
