Every gambler knows that the secret to surviving
Is knowing what to throw away and knowing what to keep
Cause every hand's a winner and every hand's a loser
And the best that you can hope for is to die in your sleep

And when he'd finished speaking he turned back towards the window
Crushed out his cigarette and faded off to sleep
And somewhere in the darkness the gambler he broke even
But in his final words I found an ace that I could keep
