Last night we brought the children by to visit their grandpa

And it's plain to see their truly a part of him

While we were there their grandma took out some old photographs

F

G7

C

Man he sure looked a lot like me back then

Chorus:

F

G7

I'm seeing my father in me

C

Am

I guess that's how it's meant to be

F

G7

And I find I'm more and more like him each day

F

G7

I notice I walk the way he walks

C

Am

I notice I talk the way he talks

F

G7

C

I'm starting to see my father in me

C

C

And today I took my wife for a walk down that old dirt road

F

G7

C

Where my daddy took my mom so many times

And we found the time to mention things we never had before

F

G7

C

And we shared some thoughts about the family life

Chorus:

I'm seeing my father in me

I guess that's how it's meant to be

And I find I'm more and more like him each day

I notice I walk the way he walks

I notice I talk the way he talks

I'm starting to see my father in me

And now looking back I can recall the times we disagreed

When I could not take hold of his old fashion ways

And the more I tried to prove him wrong the more I proved him right

Now I know why he still stood by me when I went through that stage

Chorus:

I'm seeing my father in me

I guess that's how it's meant to be

And I find I'm more and more like him each day

I notice I walk the way he walks

I notice I talk the way he talks

I'm starting to see my father in me

And I'm happy to see my ather in me
