

# Daddy Sang Bass

Key of C

Johnny Cash

C C7  
I remember when I was a lad  
F C  
Times were hard and things were bad  
G7  
But there's a silver linin' behind every cloud  
C C7  
Just poor people that's all we were  
F C  
Tryin' to make a livin' out of blackland dirt  
G7 C  
But we'd get together in a family circle singing loud

C7  
Daddy sang bass Mama sang tenor  
F C  
Me and little brother would join right in there  
G7  
Singin' seems to help a troubled soul  
C C7  
One of these days and it won't be long  
F C  
I'll rejoin them in a song  
G7 C  
I'm gonna join the family circle at the throne

C7  
No the circle won't be broken  
F C  
Bye and bye Lord bye and bye  
C7  
Daddy'll sing bass Mama'll sing tenor  
F C  
Me and little brother will join right in there  
F G7 C  
In the sky Lord in the sky

Now I remember after work  
Mama would call in all of us  
You could hear us singin' for a country mile  
Now little brother has done gone on  
But I'll rejoin him in a song  
We'll be together again up yonder in a little while
