

# Fight Song

Rachel Platten

Key of C

C  
Like a small boat  
In the ocean  
Am7  
Sending big waves  
Into motion

F  
Like how a single word  
Can make a heart open

C  
I might only have one match  
G  
but I can make an explosion  
C F  
And all those things I didn't say  
Am7 G  
Wrecking balls inside my brain  
C F  
I will scream them loud tonight  
Am7 G  
Can you hear my voice this time

C  
This is my fight song  
G  
Take back my life song  
Am7 F  
Prove I'm alright song  
C  
My power's turned on  
G  
Starting right now I'll be strong  
Am7  
I'll play my fight song

F                                          C      G  
And I don't really care if nobody else believes  
                  F                                  C  
Cause I've still got a lot of fight left in me

Am7                          F  
Losing friends and I'm chasing sleep  
C                              G  
Everybody's worried about me  
Am7  
In too deep  
C          G  
Say I'm in too deep  
Am7  
And it's been two years  
F  
I miss my home  
                  C                              G  
But there's a fire burning in my bones  
Am7                  F  
And I still believe  
C                      G  
Yeah I still believe

                  C                          F  
And all those things I didn't say  
                  Am7                          G
