

# Can't Take My Eyes Off Of You

Key of E

Frankie Valli

## Verse:

                  E  
You're just too good to be true  
                  Emaj7  
Can't take my eyes off you  
                  E7sus4  
You'd be like heaven to touch  
          A  
I wanna hold you so much  
                  Am  
At long last love has arrived  
                  E  
And I thank God I'm alive  
                  Gb                  Gbm  
You're just too good to be true  
                  E  
Can't take my eyes off you

## Verse:

                  E  
Pardon the way that I stare  
                  Emaj7  
There's nothing else to compare  
                  E7sus4  
The sight of you leaves me weak  
                  A  
There are no words left to speak  
                  Am  
So if you feel like I feel  
                  E  
Please let me know that it's real  
                  Gb                  Gbm  
You're just too good to be true  
                  E  
Can't take my eyes off of you
