

# Elizabeth

## Key of G

## The Statler Brothers

G                  Em                  C                  D7        G  
Oh Elizabeth     I long to see your pretty face

   Em                  C                  D7                  G  
I long to touch your lips     I long to feel your warm embrace

   G7                  C  
Don't know if I could ever live my life without you

                G                  D7                  G  
Oh Elizabeth     I'm sure missing you

C D7 C G  
I remember when we shared a life to-gether

D7  
You gave me strength and love and life that felt brand new

C D7 G  
But you're so far away I have to say I'm feeling blue

D7 G  
Oh Elizabeth I'm sure missing you

G                  Em                  C                  D7                  G  
Oh Elizabeth I long to see your pretty face

Em                  C                  D7                  G  
I long to touch your lips I long to feel your warm embrace

G7                  C  
Don't know if I could ever live my life without you

G                  D7                  G  
Oh Elizabeth I'm sure missing you

Well it's been said before that I've caused many heartaches  
And I wonder that parts really true  
Being right or wrong feels my heart will surely break  
Oh Elizabeth I hope you understand

G            Em        C            D7    G  
Oh Elizabeth   I long to see your pretty face  
                                 Em        C            D7        G  
I long to touch your lips   I long to feel your warm embrace  
                                 G7            C  
Don't know if I could ever live my life without you  
          G            D7                    G  
Oh Elizabeth   I'm sure missing you

                                 G7            C  
Don't know if I could ever live my life without you  
          G            D7                    G  
Oh Elizabeth   I'm sure missing you  
                 D7 G  
Oh Eliz - a - beth
